

**Wire Transfers from  
NanoPips Account  
to your specified bank**

When you need to wire funds from your NanoPips account, use the Wiring System to transfer money to a specified bank account. There is a \$30 fee for sending domestic wire transfers from a NanoPips account. International wire transfers will be charged a \$35 fee for NanoPips accounts.

**Please Note:** All wire requests must be submitted in writing via E-mail. No e-mail or phone requests can be accepted. Unsettled funds and funds held in an inactive account may not be available to wire. The deadline for wires from a NanoPips account is 4:00 pm EST to be sent the next business day.
